ADVANCED CAR HIRE TERMS AND CONDITIONS

These are all our 24-hour emergency numbers:

Rental Agents (2): +264 81 122 9844 (available on WhatsApp)

GENERAL DETAILS

If you phone from an international number, the dialling code for Namibia is "+264" and the zero falls away in front of the number.

We suggest that you buy a local number just in case you do not have reception on your international number. The service provider we suggest you buy it from is MTC. They have coverage for over 90% of the country.

Once you have this local number please send a text to us so that we have your contact details on file if something must be communicated to you.

Your car is a **diesel engine** and it is not full at the time of rental. You will have to go fill it up before you leave and bring it back to us as empty as possible.

Due to the 2nd diesel tank that we have added, the fuel gauge only reflects the diesel level in the original tank, thus neither you or us can check if the 2nd tank is handed over full, therefore we deliver the vehicles empty.

The two tanks together are 165 Litres, this amounts to about N\$ 2 300.00 to fill up and you will be able drive for about 1200km with both tanks full.

The two tanks are automatic, they are filled through one opening and you do not have to press any buttons to switch between the two tanks.

The fuel gauge will stay on full until you have used the additional fuel tank (85 litters) and will only start moving towards empty when you start using the original tank (80 litters).

SPEED LIMITS AND TRACKING

Your vehicle is fitted with a tracking device. Should you have an accident and this device shows that you were over the indicated speed limits your excess waiver will not cover the damages on the vehicle.

Should an accident occur where you were within the indicated speed limits but were too fast for the road you were traveling on – your excess option will NOT cover any damages.

Our speed limits:

- In any town: 60km/h
- On any main road or highway: 120km/h (unless otherwise stated by a road sign)
- On any gravel road: 60km/h (grace up till 70km/h – own discretion is advised) – REGARDLESS OF ROAD SIGNS
- On Salt Roads (along the coast): 60km/h (grace up till 70k/h – own discretion is advised)
- When 4x4 is engaged (High or Low Range): 45km/h – **PLEASE MAKE SURE THAT YOU DISENGAGE 4X4 AFTER USING IT AND THAT YOU DO NOT DRIVE FOR LONG DISTANCES WITH THE 4X4 ENGAGED. THIS WILL DAMAGE THE UNDERBODY OF THE VEHICLE AND WILL BE BILLED BACK TO YOU.**

THE TRACKING DEVICE WILL MAKE A NOISE AS A WARNING TO YOU IN CASE OF THE FOLLOWING:

- WHEN 75KM/H IS EXCEEDED ON A GRAVEL ROAD
- WHEN 70KM/H IS EXCEEDED ON A SALT ROAD
- WHEN 120KM/H IS EXCEEDED ON A MAIN ROAD / HIGHWAY
- WHEN 45KM/H IS EXCEEDED IF 4X4 IS ENGAGED
- WHEN 60KM/H IS EXCEEDED IN ANY TOWN
- WHEN BATTERY VOLTAGE IS TOO LOW

PLEASE DO NOT BE ALARMED WHEN THIS HAPPENS, IT IS IN PLACE FOR YOUR SAFETY AS MOST OF OUR ACCIDENTS OCCUR DUE TO SPEEDING.

IF THE TRACKING DEVICE IS DISCONNECTED OR TAMPERED WITH IN ANY WAY THEN YOUR CONTRACT WILL BE VOID AND THE CHOSEN EXCESS WAIVER WILL NOT COVER ANY DAMAGES THAT MIGHT OCCURE.

MAKE SURE THAT THE RENTAL AGENT SHOWS YOU WHAT THIS BUZZER SOUNDS LIKE BEFORE LEAVING THE OFFICE.

PLEASE NOTE: THE TRACKING DEVICE IS ONLY THERE TO NOTIFY YOU WHEN YOU ARE OVERSPEEDING AND IS NOT THERE TO GOVERN YOUR SPEED.

THE BUZZER CAN GET FAULTY DUE TO THE VIBRATION OF THE GRAVEL ROADS THUS YOU SHOULD STILL WATCH YOUR SPEED WHILE DRIVING EVEN IF THE BUZZER IS NOT SIGNALING YOU TO SLOW DOWN.

FORBIDDEN ROADS

You are not allowed to travel on the Van Zyls Pass.

You are not allowed to enter the Khaudum Park – should you have a break down we would require 48 hours at least to assist as no one enters this park.

We also suggest making 100% sure before entering the Moremi (Savute Area) on your own. These places are secluded and can cause you to be stranded for days with no help. Due to the very thick sand clutch and gearbox damage might also occur so please make sure you know how the roads look and that you are well prepared on how to use the 4x4 in this area – should you have a break down here we will also not be able to reach you before 48 hours due to the nature of the roads.

- At the moment, the Moremi is flooded, and WATER DAMAGE IS NOT COVERED, so please avoid this area (applicable during summer months).

All other numbered roads are accessible only if the conditions are suitable for the Toyota Hilux 2.5 Turbo Diesel 4x4 that you have. If it is found that the conditions you have submitted the vehicle to was not suitable for the vehicle type, then Advanced Car Hire will NOT cover any damages / tow in costs arising from this.

PARTS / DEFECTS / SITUATIONS NOT COVERED BY THE EXCESS OPTIONS

ADVANCED CAR HIRE WILL NOT REFUND ANY REPAIRS DONE TO TYRES AS THIS TYRE CANNOT BE USED AGAIN. WE ALSO DO NOT REFUND ANY NEW TYRES THAT WAS BOUGHT WITHOUT OUR CONSENT.

Once the two spare tyres we have given you are all used, we will ensure you get replacement spare tyres sent to you from our office.

If any normal wear and tear on the vehicle must be repaired during the trip by an outside supplier that we do not have an account with, you will have to pay the invoice and hand it in to us when the vehicle is returned. A refund will then be processed. This takes about 10 working days to reflect on your account – PLEASE TAKE NOTE THAT REFUNDS ARE DONE ON THE END OF EACH MONTH ONLY.

If the vehicle is stolen and the renter can present Advanced Car Hire with the key then the excess option chosen will cover the vehicle. If no key can be presented by renter, then he / she will be held liable for the full market value of the vehicle

- When vehicle is hijacked, and key was taken with the vehicle, a police report must be presented to us before the excess option you have chosen will cover you.

No damage to camping equipment / vehicle equipment is included in any of the Excess Options. The renter will be held liable for any loss / damage outside of expected wear and tear to camping equipment (this includes Compressor Pumps, tools, Rims, Fridges, Bedding, Tents, Mattresses, GPS, Satellite Phones and Mobile Phones as well) – YOU WILL BE CHARGED FOR THE REPLACEMENT COST OF THE EQUIPMENT, NOT FOR THE 2ND HAND VALUE.

No refund will be done by Advanced Car Hire for unplanned accommodation in case of any break down with the car, accident with the car or equipment failure during your trip.

- OUR TENTS ARE WATER RESISTANT AND NOT WATER PROOF. THUS, IF HEAVY RAINS ARE ENCOUNTERED YOU SHOULD PLAN AHEAD FOR PROPPER ACCOMMODATION.

PLEASE NOTE THAT NONE OF OUR EXCESS OPTIONS COVERS UNDERBODY AND CLUTCH DAMAGE!

If you have damage to the underbody and / or the clutch of the vehicle outside of expected normal wear and tear the full replacement / repair costs will be charged to you (the client).

ANY AND ALL DAMAGE TO THE FRONT AND REAR BUMPERS OF THE VEHICLE IS NOT COVERED BY ANY OF OUR EXCESS OPTIONS. YOU WILL BE HELD LIABLE FOR THE FULL AMOUNT OF THE REPLACEMENT OF THE BUMPER (NO REPAIRS WILL BE DONE ON BUMPERS).

NO DEFECTS TO FRIDGE BATTERIES WILL BE REFUNDED BY ADVANCED CAR HIRE.

- **YOU CAN PUT YOUR FRIDGE ON HIGH WHEN THE CAR IS MOVING, BUT AS SOON AS THE CAR STOPS THE FRIDGE HAS TO BE TURNED TO LOW. IF YOU ARE GOING TO OVERNIGHT, TAKE THE FRIDGE OUT AND PUT IT ON NORMAL POWER (CABLE WILL BE SUPPLIED).**
- **IF THIS IS NOT DONE, YOUR FRIDGE BATTERY WILL BE DRAINED, AND IT WILL NO LONGER WORK UNTILL WE CAN FIND SOMEONE TO RECHARGE THE BATTERY FOR YOU (AT YOUR OWN COST).**

NO DAMAGES TO THE CAR OR BREAK DOWN COSTS FOR WHEEL NUTS BREAKING OFF WILL BE COVERED BY ADVANCED CAR HIRE.

- **THE WHEEL NUTS ARE CHECKED WITH YOU HERE IN THE OFFICE AND IT IS EXPLAINED HOW TO MAINTAIN THEM PROPERLY. THUS, IF THIS IS NOT DONE THE WAY WE EXPLAINED ALL COSTS ARRISING FROM SUCH AN INCIDENT WILL BE BILLED TO YOU.**

Advanced Car Hire is not liable for any personal loss in the case of any accident.

ACCIDENTS

If you are involved in an accident where there is no third party involved or you were the guilty party in the accident, and your vehicle is a complete write off or is no longer road worthy, then the contract you have signed will no longer be valid regardless if it's the first or last day of the rental.

That means that if you then decide to take a replacement car (year model subject to availability) for the rest of your trip, you must sign a new contract with us, pay for the amount of days you are hiring the replacement vehicle, and the rental amount you have paid for the damaged vehicle will not be refunded to you.

If you were within the rules of the contract the excess waiver option you have chosen will still cover the damages on the vehicle (as explained above, with all exclusions considered).

PLEASE NOTE:

- **All tow in costs that arise for the replacement car to be delivered and / or for the accident damage vehicle to be collected will be billed to the client (if it was an accident where no third party was involved or you were the guilty party in the accident).**

If someone else drove into you and you need a replacement vehicle, we will deliver the replacement vehicle free of charge and again if you were within the rules of the contract your excess waiver option will cover you as well.

The replacement vehicle will continue on the same Rental Agreement and no additional charge (outside the excess amount, taking exclusions into account) will be billed to the renter.

If you drove into another vehicle then Advanced Car Hire's 3rd Party insurance will cover the damages on "the other" car. The renter will be liable for the damage on the Advanced Car Hire vehicle (taking chosen excess option into account).

- **"The Namibian Law states that if you drove into the back of another vehicle (stationary or moving) that you are automatically the guilty party." In this case the renter will be liable for all the damage costs on both vehicles.**

If there is no medical emergency in the case of an accident, please do not leave our vehicle alone next to the road.

Thieves tend to strip the cars if they are left abandoned. Should you decide to leave the vehicle and any loss is suffered by Advanced Car Hire, this will be billed to you the client.

Give us a call and we will send someone close by to get you and your vehicle safely of the road – this will not take longer than at least two hours (PLEASE KEEP IN MIND WE MAKE USE OF EXTERNAL SUPPLIERS FOR THIS AND ARE SUBJECT TO THEIR AVAILABILITY OF DRIVERS AND VEHICLES).

If someone is badly hurt, then please phone us as well – we do have an agreement with EMED – they will then in turn send a plane or helicopter to get the injured person to a hospital as quickly as possible or the ambulance service closest to you will assist.

SIGNATURE: _____

DAMAGE TO BE REPORTED

PLEASE ALSO NOTE: All accidents must be reported to Advanced Car Hire – no matter how minor the damage. If accidents are not reported to us within 24 hours of the accident, any excess option which you have with us will no longer apply to the damage caused to the vehicle. You will be held liable for the full amount of repairs plus the penalty as stated on the contract (N\$ 600.00).

Damages / defects to vehicle or equipment that was not reported to Advanced Car Hire in advance to give us a chance to correct the mistake on our costs will not be considered for a refund when the vehicle is returned.

Should damage be reported to us and there is no workshop available to assist in your area (this is for less serious problems where vehicle is still able to drive) we will let the problem be looked at, in the nearest town where they are able to help.

Replacement vehicles will only be sent if the vehicle is no longer safe to drive and we are not able to find a mechanic to fix the problem within our 24hour period.

- From time of call received we have 24hours to get a proper diagnosis on the vehicle by a licenced mechanic of our choice.
 - If this mechanic is NOT able to sort out the problem there, then we have a further 24hours to get a replacement vehicle to you.
- ◆ We make use of external suppliers, thus please bear with us to get a hold of someone that is available to take care of your problem.
- ◆ Most workshops / businesses are closed from Friday @ 17:00 till Monday @ 8:00 – so it will be more of a struggle during a weekend, so please be patient so that we can find a workshop for you.

DRIVING AT NIGHT

Lastly, you are not allowed to drive at night between towns. The sun sets around 6pm and rises around 6am – between these times you can drive within a town and do game drives and sunrise breakfasts etc. – you are just not allowed on a high way / gravel road between towns. The only reason for this is that we have a lot of animals on our roads at night and it's very difficult to see them, thus resulting in a lot of accidents.

But we do understand that you can have a flat tyre or get held up somewhere, so if you see you are not going to get to your destination before sunset, please give us a call to inform us. If you do attempt to drive at night without phoning us first, your excess waiver option will not cover any damages sustained.

EARLY RETURN POLICY

When a car has to be returned earlier than originally booked the following will apply:

- If there is a medical emergency and this can be proven by a medical certificate – 60% Refund for days returned earlier
- Any other reason (if we are notified 72 hours in advance) – 40% Refund for days returned earlier
- If we are notified less than 72 hours in advance with no proof of medical emergency – NO REFUND
