Clause A: GENERAL SAFETY TIPS TO ABIDE BY

THESE ARE ALL OUR 24-HOUR EMERGENCY NUMBERS:

Rental Agents: +264 81 287 6932 (available on WhatsApp)

Rental Agents (2): +264 81 122 9844 (available on WhatsApp)

1. Please check if wheel nuts are tight enough before starting the journey every single day (when the vehicle is shown to you upon collection, make sure the driver properly checks the wheel nuts before leaving our office).
2. Please check tyre pressure, oil and water levels every day.
3. Please check tent bolts before starting every day.
4. Check if all lights are working every day (we suggest always driving with your headlights on, regardless of the time of day).
5. Check that you have loaded up all camping equipment before driving from any spot.
6. Check in all 3 rear view mirrors before reversing out of a parking spot (walk around the car before getting in, this way you are sure to not miss a pole or object in your way).
7. Always keep the canopy vent open on gravel roads. This will prevent the dust from settling at the back on your luggage.
8. Our tents are water resistant and not waterproof. Thus, if heavy rains are encountered you should plan ahead for proper accommodation.
9. Please check that you are satisfied with the car, camping equipment and tyres before you leave our office. If you have signed the form for the car and equipment, advanced 4x4 car hire will take it that you are satisfied and will not refund any complaints regarding the car once the vehicle has left the offices of advanced 4x4 car hire.
10. Please ensure that your guide has loaded up all the equipment / tools before leaving the office of advanced 4x4 car hire.
11. Note that if personal belongings are left in the car upon your return, advanced 4x4 car hire will do its best to recover such items, but unfortunately theft is a very real issue and advanced car hire accepts no liability of whatsoever nature.
12. If you rented a sat phone or GPS from advanced 4x4 car hire, make sure the rental agent shows you that the item and its charger is working correctly. No refunds will be done for these items due to faulty chargers / fuses as we are then sure it worked when you received it. Remember it charges off a fuse in the car, so if the charger no longer works during your trip, please inform advanced 4x4 car hire in order this can be dealt with.
13. Ensure that the correct amount has been charged to the relevant credit card as errors may occur.

PLEASE TREAT OUR CAR AND EQUIPMENT AS IF THEY ARE YOUR OWN!!

Clause B: GENERAL DETAILS

Once you have the relevant local number, please send a text to ADVANCED 4X4 CAR HIRE in order that ADVANCED 4X4 CAR HIRE has your contact details on record should something need be communicated to you.

Your car is a diesel engine and WILL NOT be full at the time of rental

2015 – 2019 models = 165lt tanks

2020 and newer (Hilux) = 145lt tanks

- **The two tanks are linked together automatically**
- **Your fuel gauge will only reflect the original 80lt tank**

Nissan Navara's – 80lt tanks (until we are able to secure additional tanks)

- 1. The car must be returned AS EMPTY AS POSSIBLE – no diesel left in the tanks at the time of return will be refunded.**

Since the two diesel tanks are connected after the car was acquired a leak / air bubble might form in this connection.

If you notice a leak or notice that you cannot refill the car with the full 165lt / 145lt please inform ADVANCED 4X4 CAR HIRE so that we can send you to a workshop to fix the problem.

Fridge connections / cables / fuses / etc can become damaged / faulty during a trip. Please notify ADVANCED 4X4 CAR HIRE immediately so that ADVANCED 4X4 CAR HIRE can sort this out in the nearest town. No refund will be done for fridges that did not work.

Clause C: EARLY RETURN POLICY

When a car needs be returned earlier than originally booked the following will apply:

1. If there is a medical emergency and this can be proven by a medical certificate – 60% Refund for days returned earlier
2. Any other reason (if ADVANCED 4X4 CAR HIRE is notified 72 hours in advance) – 40% Refund for days returned earlier
3. If ADVANCED 4X4 CAR HIRE is notified less than 72 hours in advance with no proof of medical emergency – THERE WILL BE NO REFUND

Clause D: SPEED LIMITS AND TRACKING

Your vehicle is fitted with a tracking device. Should you have an accident, and this device shows that you were over the indicated speed limits from 5 minutes before the accident, your excess waiver will not cover the damages on the vehicle.

- 1. ADVANCED 4X4 CAR HIRE advise that when travelling on gravel roads, you take extra caution. The speed limits given are only there to give you the MAXIMUM speed you are allowed drive. Some of the gravel roads in Namibia are not always in good condition and maintaining the maximum speed regardless of what the road surface looks like may result in underbody and/or rim damage which you will be held liable for as per the Terms and Conditions.**
- 2. Not looking out for these rough areas on NAMIBIAN roads may also result in a serious roll over, as most of Namibian accidents occur at a speed between 70km/h and 80km/h.**

Speed limits as per ADVANCED 4X4 CAR HIRE Terms and Conditions:

- 1. In any town: 60km/h**
- 2. On any main road or highway: 120km/h (unless otherwise stated by a road sign)**
- 3. On any gravel road: 80km/h – REGARDLESS OF ROAD SIGNS – own discretion is advised**
- 4. On Salt Roads (along the coast): 80km/h – own discretion is advised**
- 5. When 4x4 is engaged (High or Low Range): 60km/h – PLEASE MAKE SURE THAT YOU DISENGAGE 4X4 AFTER USING IT AND THAT YOU DO NOT DRIVE FOR LONG DISTANCES WITH THE 4X4 ENGAGED. THIS WILL DAMAGE THE UNDERBODY OF THE VEHICLE AND WILL BE BILLED BACK TO YOU.**

THE TRACKING DEVICE WILL MAKE A NOISE AS A WARNING TO YOU IN CASE OF THE FOLLOWING:

- 1. WHEN 90KM/H IS EXCEEDED ON A GRAVEL ROAD**
- 2. WHEN 85KM/H IS EXCEEDED ON A SALT ROAD**
- 3. WHEN 125KM/H IS EXCEEDED ON A MAIN ROAD / HIGHWAY**
- 4. WHEN 60KM/H IS EXCEEDED IF 4X4 IS ENGAGED**
- 5. WHEN 70KM/H IS EXCEEDED IN ANY TOWN**
- 6. WHEN BATTERY VOLTAGE IS TOO LOW**

RENTER SIGNATURE: _____

If the tracking device is disconnected or tampered with in any way whatsoever then your contract will be void and the chosen excess waiver will not cover any damages that might occur.

Make sure that the rental agent shows you what this buzzer sounds like before leaving the office.

Please note: the tracking device is only there to notify you when you are over speeding and is not there to govern your speed.

The buzzer can become faulty due to the vibration of the gravel roads thus you should still watch your speed while driving even if the buzzer is not signalling you to slow down.

Clause E: DRIVING AT NIGHT

You are not permitted to drive at night between towns. The sun sets around 6pm and rises around 6am – between these times you can drive within a town and do game drives and sunrise breakfasts etc. – you are not allowed on a highway / gravel road between towns.

It is understood that you can have a flat tyre or get held up somewhere, so if you see you are not going to reach your destination before sunset, please contact ADVANCED 4X4 CAR HIRE to inform us accordingly. If you do attempt to drive at night without contacting ADVANCED 4X4 CAR HIRE, your excess waiver option will not cover any damages sustained.

Clause F: FORBIDDEN ROADS

No backup can be guaranteed and recovery costs in these cases and areas will be for the renter's account.

You are not allowed to travel on the Van Zyl's Pass.

The renter drives at OWN RISK in Khaudam Park, Kaokofeld, in dunes, Sandwich Harbour, along the Kunene River from Epupa Falls, in riverbeds, after sunset and before sunrise and on not registered roads.

We also suggest making 100% sure before entering the Moremi (Savute Area) on your own. These places are secluded and can cause you to be stranded for days with no help. Due to the very thick sand clutch and gearbox damage might also occur so please make sure you know how the roads look and that you are well prepared on how to use the 4x4 in this area – should you have a break down here we will also not be able to reach you before 48 hours due to the nature of the roads. Most of the time, the Moremi is flooded, and WATER DAMAGE IS NOT COVERED, so please avoid this area.

All other numbered roads are accessible only if the conditions are suitable for the Toyota Hilux 2.5 / 2.4 Turbo Diesel 4x4 that you have. If it is found that the conditions you have submitted the vehicle to was not suitable for the vehicle type, then Advanced Car Hire will NOT cover any damages / recovery costs arising from such an event.

Driving through ANY water source is forbidden with an Advanced 4x4 Car Hire vehicle. Any water damage sustained to the vehicle will be billed to the renter of the vehicle.

Clause G: DAMAGE TO BE REPORTED AND BREAK DOWNS

PLEASE NOTE: All accidents or break downs must be reported to Advanced 4X4 Car Hire – no matter how minor the damage or issue.

If accidents / break downs are not reported to ADVANCED 4X4 CAR HIRE within 24 hours of the accident / break down, any excess option which you have with ADVANCED 4X4 CAR HIRE will no longer cover the damage caused as a result from not repairing the issue. The renter will be held liable for the full amount of repairs plus the penalty as stated on the contract (N\$ 600.00).

Damages / defects / break downs to vehicle or equipment that was not reported to Advanced 4X4 Car Hire, will not be considered for a refund when the vehicle is returned.

Should the damage / break downs be reported to ADVANCED 4X4 CAR HIRE and there is no workshop available to assist in your area (this is for less serious problems where vehicle is still able to drive), ADVANCED 4X4 CAR HIRE will let the issue be attended to in the nearest town.

Replacement vehicles will only be sent if the current rented vehicle is no longer safe to drive and ADVANCED 4X4 CAR HIRE are not able to find a mechanic to fix the problem. This is done on the discretion of Advanced 4x4 Car Hire alone and cannot be demanded.

1. From time of call received ADVANCED 4X4 CAR HIRE has 24 hours to get a proper diagnosis on the vehicle by a licenced mechanic of our choice.
2. If this mechanic is NOT able to sort out the problem there, then we have a further 24hours to get a replacement vehicle to you or to send the vehicle to a different mechanic for less serious issues where the vehicle is still able to drive safely.

RENTER SIGNATURE: _____

- **NO DAYS LOST AS A RESULT OF A BREAK DOWN AND/OR ACCIDENT WILL BE REFUNDED TO THE RENTER.**

ADVANCED 4X4 CAR HIRE makes use of external suppliers, thus please bear with ADVANCED 4X4 CAR HIRE to get a hold of someone that is available to take care of your problem.

Most workshops / businesses are closed from Friday @ 17:00 till Monday @ 8:00 – so it will be more difficult during a weekend, so please be patient so that ADVANCED 4X4 CAR HIRE can find a workshop for you.

ADVANCED 4X4 CAR HIRE does not put new tyres on the vehicles for each new rental. The tyres are taken off the car at 5mm and used as spare tyres until 4mm of thread is left (this is 50% and 40% respectively of the original thread of the tyre).

- Make sure you are happy with the tyres you are given. Once the vehicle has left the Advanced 4x4 Car Hire office, the tyres are subject to unknown conditions, and we will not take responsibility for any defects – the Terms and Conditions will then apply.

ADVANCED 4X4 CAR HIRE DOES NOT REFUND ANY NEW TYRES THAT WAS BOUGHT WITHOUT OUR CONSENT.

ADVANCED 4X4 CAR HIRE ALSO DOES NOT REFUND ANY TYRE REPAIRS DONE, REGARDLESS OF THE EXCESS OPTION TAKEN.

Once the two spare tyres ADVANCED 4X4 CAR HIRE has given you are all damaged beyond repair, ADVANCED 4X4 CAR HIRE will ensure you get replacement spare tyres sent to you from our office to the nearest town that offers a courier service.

If any normal wear and tear on the vehicle must be repaired during the trip by an outside supplier that ADVANCED 4X4 CAR HIRE does not have an account with, you the Renter, will have to pay the invoice and hand it in to ADVANCED 4X4 CAR HIRE when the vehicle is returned.

A refund will then be processed. This takes about 10 working days to reflect on your account – **PLEASE TAKE NOTE THAT REFUNDS ARE DONE DURING THE FIRST TWO (2) WEEKS OF THE NEW MONTH ONLY.**

No damage to camping equipment / vehicle equipment is covered by any of the Excess Options. The renter will be held liable for any loss / damage outside of expected wear and tear to camping and / or other equipment (this includes Compressor Pumps, tools, Rims, Canopies, Fridges, Bedding, Tents, Mattresses, GPS, Satellite Phones) – YOU WILL BE CHARGED FOR THE REPLACEMENT COST OF THE EQUIPMENT, NOT FOR THE 2ND HAND VALUE.

No refund will be done by Advanced 4X4 Car Hire for unplanned accommodation in case of any break down with the car or accident with the car or equipment failure during your trip.

PLEASE NOTE THAT NONE OF ADVANCED 4X4 CAR HIRE EXCESS OPTIONS COVERS UNDERBODY AND CLUTCH DAMAGE!

If you have damage to the underbody and / or the clutch of the vehicle outside of expected normal wear and tear the full replacement / repair and tow in costs will be charged to you (the renter).

IN THE EVENT OF CLUTCH AND / OR UNDERBODY DAMAGE, THE FOLLOWING STEPS WILL APPLY:

- 1. The basic fee of N\$ 15 000.00 will be deducted from the Renter's Credit Card before any replacement vehicle is sent / repair confirmation is sent to the mechanic (N\$ 25 000.00 when outside Namibia).**
- 2. The replacement / repaired vehicle will not be handed over to the renter if all the documents required are not signed.**
- 3. The fees mentioned above will not be final calculation as this can only be determined once the vehicle / part has been recovered and all costs have been finalised.**

NO DAMAGE / LOSS OF THE RIMS ON THE CAR IS COVERED BY ANY OF THE EXCESS OPTIONS IN ANY SITUATION. THE FULL REPLACEMENT VALUE OF THE DAMAGED RIMS WILL BE CHARGED TO THE RENTER.

NO DAMAGE TO THE ROOF / BONNET CAUSED BY SITTING ON IT IS COVERED BY ANY EXCESS OPTION. ANY AND ALL DENTS TO THESE PARTS WILL BE FOR THE RENTER'S ACCOUNT.

Clause I: ACCIDENTS

- 1. It is the renter's responsibility to provide Advanced 4x4 Car Hire with a copy of the accident report and accident report number received at the police station otherwise no excess waiver cover will apply, and the renter will be liable for the total cost of repair / replacement due to any damages.**

Advanced 4X4 Car Hire is not liable for any personal loss in the case of any accident.

Single vehicle accidents are not covered by any of the (45 000 / 30 000 / 15 000 / Zero) excess options. The full value of repairs will be billed to the renter - the amount of up to N\$ 50 000.00 (plus all recovery costs) will immediately become deductible off the renter's credit card given as surety.

RENTER SIGNATURE: _____

- If the insurance provider does not deem the claim valid for whatsoever reason, the full amount claimed by the 3rd party will be billed to the renter.

If a 3rd Party drove into the Advanced 4x4 Car Hire vehicle, the 3rd party will be liable for the repairs of his / her own vehicle.

The renter will only be held liable for the damage on the ADVANCED CAR HIRE vehicle if the 3rd Party does not have an insurance policy that covers the damages on the Advanced Car Hire vehicle and/or if the renter failed to follow the proper procedures in order for Advanced Car Hire to claim from the 3rd Party's Insurance and/or if the renter was found to be negligent before / during the above-described accident. If the rented vehicle is a complete write off or is no longer road worthy due to any accident whatsoever, then the contract, the renter has signed will no longer be valid regardless of if it is the first or last day of the rental.

That means that if the renter then decides to take a replacement car (year model and make subject to availability and will only be delivered if Advanced 4x4 Car Hire Chooses to do so) for the rest of the trip, the renter must sign a new contract with Advanced Car Hire, pay for the amount of days the replacement vehicle is hired (no reduced excess option available), and the rental amount paid for the damaged vehicle will not be refunded to the renter.

- 2. NO REPLACEMENT VEHICLE WILL BE SENT UNLESS THE FULL AMOUNT DUE BY THE RENTER HAS BEEN PAID TO ADVANCED 4X4 CAR HIRE IN THE CASE OF ANY ACCIDENT (IF APPLICABLE)**

Contact ADVANCED 4X4 CAR HIRE and someone will be sent to get you and your vehicle safely off the road – this will not take longer than at least two hours (PLEASE KEEP THIS IN MIND, ADVANCED 4X4 CAR HIRE MAKES USE OF EXTERNAL SUPPLIERS FOR THIS AND ARE SUBJECT TO THEIR AVAILABILITY OF DRIVERS AND VEHICLES).
